

**Gateway Greens Community Association, Inc.**  
**Security Meeting**  
**July 30, 2008 @ 1:00 PM**  
**Held at Gateway Services**

Present: Brian Mook, Burnie Williams, Jackie Hood, Christian Schrank, Maurice Welch  
Lourdes McLeod, CAM representing Alliant Property Management.

Vince Sardo past president of Gateway Greens, had concerns to address to the committee in reference to the security system. Vince Sardo feels that the problem can be corrected instead of replacing the whole system. Burnie Williams advised Vince that the committee has done their due diligence. Lee Herman with TEM Systems was available to address questions asked by Vince Sardo.

Shelton Blackwell President of Kent Security was present to discuss their role in the implementation of the new system. Shelton Blackwell offered to Gateway Greens additional personnel to assist on a weekend at no charge to install the transponders to the resident's vehicles.

Committee reviewed proposals presented by TEM Systems, Lee Herman was present to answer questions about the implementation and the training provided for all parties involved.

Motion: Motion was made by Burnie Williams to accept proposals from TEM Systems and recommend to the Board, contingent on Board approval from August 6, 2008 Board of Directors meeting; seconded by Maurice Wells all in favor, motion is approved.

Meeting is adjourned at 4:30 P.M.

Respectfully Submitted
