4. Discussion then resumed on the 2009 budget. Ed Snyder had made adjustments to the previous years budget to meet with our needs for 2009. Discussion then followed, on the various needs of the next year. We are taking care of a lot of things this year that will not have to be addressed again next year which will help with the budget for 2009.

5. The group decided to buy a camera for the Rover, they need to take pictures of accidents and such..

6. Meeting was then adjourned at 2:00 P.M.
